Mr. Pat Sherman
Chairman
Greenwood/WRT Study Committee
609 Treybourne Dr.
Greenwood, IN 46142

Dear Pat,

We read the articles in the Daily Journal seeking citizens to volunteer for the study groups, regarding a merger of Greenwood and WRT. This past summer and fall we have attended 4 of the public meeting concerning this possible merger. We would like to be considered for either the Infrastructure or the Health, Safety & Welfare study groups. If these are filled, then any group is acceptable.

My wife and I transferred here 25 years ago. We left our children (4) and 10 grandkids scattered throughout the Midwest. We retired from the Service Parts Operations division of General Motors. My job involved dealing with heavy duty and commercial automotive/truck customers, in federal, state & local governments. As well as private construction companies and over the road truck lines. This required extensive travel, so until we retired about 16 years ago, there was no time for volunteering.

There very definitely is a need for a merger. What growth we've seen over the past 25 years, we feel, will be minor, when considering the future growth of both properties. Combining as one unit will be a win for all concerned.

Our home is located in Pebble Hills. The back of the lot borders Morgantown Road, about 100 yards south of the cemetery, on the east side of the road. I'm not a spring chicken, will be 80 years old April 5th.

We are members of St. Barnabas Catholic Church, The Greenwood American Legion, Midstate Amateur Radio Club & the Senior Men's Club at Winding River Golf Course.

I very much want to help in any way I can with the Study Groups. Call if you have any questions.

Sincerely,

Ed Woods
