I recently saw an article in the paper about the need for volunteers for the Center Grove area study committee. My short resume is enclosed, and I would be interested in volunteering for one of the subcommittees.

Although I have only lived in the Center Grove area for 3 ½ years, I have lived in Central Indiana most of my life. Being an active member of my community has always been important to me.

Please let me know if you have questions or need additional information. You can reach me at 317-887-2091 or jan.arnold@comcast.net
