

## Greenwood+White River Study Group

My name is, Norman Gunn, and I live in Greenwood. I have lived here since 1981 when I bought a house in Northern Park.

I would like to be considered for the Parks Board Study Group. I have been employed at ~~the~~ Citizens Energy Group formally Citizens Gas ~~for~~ ~~the~~ since 1977 and am still employed there.

With my work I have been around most of the Parks in Indianapolis and 2 in Westfield. Also, I have visited and used all the Parks in Greenwood.

I think I could offer some ideas + thoughts about a possible Greenwood+White River combined Parks that would be fair to all residents.

Thankyou for your consideration.

God Bless You
